

Please make plans to attend the 2010 Arkansas Concrete Pavement Conference at the Embassy Suites Hotel in Little Rock. This year's program covers a variety of innovations in the concrete pavement industry as well as a review of current research efforts. We will also hear from agency leaders about the state and Federal Funding. As always this is a great opportunity to network with fellow industry professionals and learn a little something along the way. Hope to see you there!

**PDH's Certificates
will be available.**
